

The SPTG In-School Programs Presents
Poetry In Motion with David Zucker & Author Day with John Grandits.
These assemblies encompass Language Arts Curriculum Content:

David Zucker

Poetry in Motion December 14th, Grades Pre K-6 (Period One K-3 Period Two 4-6)

Poetry comes to life in David Zucker's performance of acting, mime, vocal gymnastics, humor, audience participation, and a trunk full of costumes, puppets, and props. David's irresistible cast of characters, recreated from the poems by A.A. Milne, Lewis Carroll, Langston Hughes, Shel Silverstein, Edgar Allen Poe, and James Whitcomb Riley, are not to be missed. He brings to life the best of English literature and poetry.

Author Day with John Grandits (Book orders for grades 2,7,& 8 are below)

January 4th, Grades 7 & 8 Technically, It's Not My Fault and Blue Lipstick

(With a Special Visit to the 2nd grade to introduce his new book The Ten Rules You Absolutely Must Not Break If You Want To Survive The School Bus)

Mr. Grandits will present an interactive assembly on concrete poetry (poetry in which the meaning of effect is conveyed by visual means, using patterns of words, letters and symbols). This will be his third visit to SBS. Students thoroughly enjoyed his presentations and this very creative type of poetry. The books were an instant hit! His books could be purchased and autographed.

For less than \$10 including shipping, these books would make a terrific holiday gift. Your second, seventh or eighth grader could bring it to school on January 4th to have it autographed.

(Include a post-it with the name(s) to whom they will be autographed.)
