Dear Parents,

In order to bolster student success, this summer Shrewsbury Borough School will be offering a tuition-based Academic Camp for all of our students. Your child will have the opportunity to extend their learning through the summer, a great opportunity for all of our students as they prepare for the next grade level. The extra instruction that students will receive during the summer is intended to fill any gaps in learning that they may have, reinforce important skills that they are learning, and prepare them for the next school year through engaging, small-group, activity-based instruction.

Our Academic Camp is a quality, four-week program for elementary and middle school students. The program will start on Wednesday, July 5<sup>th</sup> and end on Thursday, July 27<sup>th</sup>. Student will attend SBS from 8:30 am to 11:30 AM Tuesday through Thursday each week. We will offer 90 minutes of instruction in English/Language Arts and 90 minutes of instruction in mathematics. Lunch will not be provided, however, we encourage students to bring a drink and snacks for the morning.

The Academic Camp program focuses on reading, writing, and mathematics skills that we know are essential to student achievement and student success. We remain committed to promoting and supporting the best instructional practices across all grades and levels, by utilizing active student learning, problem-solving, critical thinking, creativity, interpersonal and intrapersonal reflection, effective communication, and collaboration in all of our groups. With the primary focus on instruction and student learning, we will continue to ensure that we offer the best opportunities and learning experiences for all students to be successful and to be well prepared to meet any challenge.

Please be advised that if you register your child before April 30<sup>th</sup> the tuition fee is \$300.00 for the full day program and \$200.00 for just ELA or Math. Registration after April 30<sup>th</sup> the tuition fee is \$350.00 for the full day program and \$250.00 for just ELA or Math.
