

Disney's
**Alice in
Wonderland**
JR.

January 10, 2008

To the Parents/Guardians of 5th, 6th, 7th and 8th graders,

Auditions for the 2008 Spring Musical Production of "Alice in Wonderland, JR." will take place from 3-5 on Monday, Wednesday, and Friday February 4, 6, and 8.

From January 28th through 31st, an AUDITION SIGN UP SHEET will be available in the Music Room on which your child may choose a convenient audition time. They will be required to perform a dramatic monologue as well as sing a song. Material used in the audition must be from something OTHER THAN the script or score of "Alice in Wonderland".

Any student who is interested in participating in behind-the-scenes production as a member of our stage crew, art crew, ushering, ticket collections and/or fundraising should also sign up on a separate list also available in the Music Room at the same time. Musicians interested in performing in the PIT BAND should see Mr. Clar for a band sign up sheet.

Once the decisions on cast and crew have been made, rehearsals for music, song, dance and drama are planned to begin the following week. Your child's participation in our production is a COMMITMENT. We understand that they are involved in many after-school activities, and ask that BEFORE AUDITIONING, you and your child carefully consider this decision. We are working on a rehearsal schedule that will allow for flexible and productive rehearsals. Dull cast, crew and musicians will be required to attend rehearsals each day of TECH WEEK May 12th through 15th.

There is room for everyone to be involved. Encourage your children to use their talents and participate. Keep your eyes and ears open for ticket sales, which will begin in May. Our opening night will be Friday, May 16th at 7pm followed by an additional performance on Saturday, May 17th.

Sincerely,

Mrs. Marquardt- Stage Director
Mr. Clar- Music Director
