March 6, 2020

Dear Parents and Guardians:

The Shrewsbury Borough School will be closing early on Friday, March 13, 2020 to prepare for any potential, future school closures due to the recent coronavirus (COVID 19) outbreak. While we have no current plans to close or any guidance indicating that we will need to close, we will be utilizing this time to develop health-related closure preparedness plans in the event that the district is instructed by the NJ Department of Health or an officer from any local or county-level health office that we must close. We will be working closely with the Monmouth County Executive County Superintendent and the NJ Department of Education to develop a plan that potentially limits transmission of communicable disease and illness within a community, in essence to prevent "community spread," but that meets the educational needs of all of our students.

The Shrewsbury Borough School will be open and will make every effort to remain open until such a time as we are instructed that we must close by the NJDOH or any other local health agency or health officer.

Friday, March 13, 2020 will be a 12:30 PM dismissal day for all students.

Please contact me at any time should you have questions or concerns about this or anything else.

Very sincerely,

Brent A. MacConnell

Brent A. MacConnell
Superintendent
