

# A Fantastic Fund-Raising Idea for Shrewsbury Boro

from

**JOEL GERARD PORTRAIT ARTIST**

**IT'S NOT TOO LATE!!**

**THERE'S STILL TIME!!**

**Who We Are...**Joel Gerard has established a thirty-five year reputation for quality workmanship, consistency and dependability. Our traditional approach to portraiture has appealed to all generations. Now we are able to offer the same quality of portraiture to families of your school in the form of a fund – raising project.

**How It Works...**Simply fill out the information below and return to the school with \$29.95. All families are entitled to a session and 8 x 10 color print.

**The Funds...**The school gets to keep the fee for each Certificate sold. *Remember...*This is a Great Gift idea for everyone! Not limited to School families.

**Flexible Scheduling...**Portraits are scheduled from January through April. This allows a full 4 months for the portraits to be taken.

**No Assembly Line...**Each family is scheduled for their own time, at their convenience in our studio.

**No Shortcuts...**Each family is treated like they have been clients for years. We may have cut the price, but we haven't cut the quality of our service.

**NEW for 2008! Ask about our outdoor sessions from June thru August**
