Dear Parents:

Thanksgiving is fast approaching, and the holidays are a matter of weeks away! With that in mind, our Leaders Club is again having a Thanksgiving basket drive. We are hoping to collect enough food and turkeys for each class to create a basket (28 baskets in all), and ask for your generous donation of canned or dried goods, bakery products, and any items necessary for a bountiful Thanksgiving celebration. **If you are willing to donate a frozen turkey, please complete the tear-off below.** If you would send in your donation starting Monday, November 19<sup>th</sup>, we should have ample time to collect, arrange and distribute the baskets.

We thank you, in advance, for your generosity. Our baskets will be given to area food pantries and local charities. We are truly thankful for our blessings, and hope to share with those who are less fortunate.

Happy Thanksgiving!

Sincerely,

Larry Ambrosino  
Superintendent
