April 29, 2020

Dear Parents/Guardians of Classified Students:

First and foremost, I hope you and your families are healthy and well during this COVID pandemic and uncharted time.

I am writing to you to express that we value the importance and significance of increasing the virtual connections that our students with special needs receive in special education and related services through remote learning during this COVID pandemic.

Please know that our professional staff members will be utilizing a variety of virtual learning experiences and digital media for increasing the incorporation of virtual connections with your children through video-conferencing in addition to electronic communication, virtual, remote, and/or other online platforms as appropriate and as required by your child's IEP to the greatest extent possible.

Please continue to maintain ongoing communication with your child(ren)'s teachers, related services providers and case managers as we value our partnership in your child(ren)'s learning and success.

Please let me know if I may be of further assistance.

Please stay healthy, be well and take care!

Thank you.

Respectfully,

Roseanne E. Ansell
Supervisor of Special Services
