Dear Parents of Seventh Graders:

On Wednesday, June 11, Red Bank Regional High School's Math Department will be offering the Algebra "1, 2, 3 Test" to any of our seventh grade students who are interested in being considered for the Algebra I class given at RBR during next school year. This test will be given here, at Shrewsbury Borough School. Students interested in taking the qualifying test should excel in mathematics, as demonstrated by their class work, report cards, and performance on the NJASK. In the past two years, Red Bank Regional has been able to accommodate up to 5 or 6 students from Shrewsbury. Students who attend the Algebra I class at RBR report to the High School at 7:30 AM and return to SBS at approximately 8:45, missing the first part of Period 1. Transportation is the responsibility of the students' parents. Report Card grades for Mathematics will be given by the High School. In addition, the midterm and final exams are administered at RBR, and reflect an accelerated level of study.

If you would like your child to take the qualifying exam, please complete the permission section below and return it to your child's Homeroom Teacher **no later than Thursday, June 5.**

Thank you,

Lawrence Ambrosino
Superintendent

Please detach and return to your child's Homeroom Teacher no later than **Thursday, June 5, 2008.**

I give permission for my child, _____, to take Red Bank Regional's Algebra "1, 2, 3 Test" on Wednesday, June 11. I understand that the test will be given at Shrewsbury Borough School, and that it will be administered by Red Bank Regional High School's Math Department.
