Welcome to our first newsletter! We are publishing this to give you more insight about your Board of Education. Four times a year we will publish this newsletter to keep you updated with important Board of Education information.

January 7th began our term of office for the nine board members. We would like to welcome Carolyn Barber Sena and Ray Soya to their first time service as members, and we welcome back incumbent Lisa Barnes for her third term as Board member.

These members are joined by Natalie Carroll, Vincent Costa, Mary Ellen Laughlin, Karolanne Konefal (new Vice President), Kimberly Rose, and Kathleen Ward (new President), to complete our current board.

Our meetings are held the third Tuesday of every month at 8pm and are always open to the public. Please click [here](#) to see the full calendar of dates for the year. The agendas are posted online the day before the meeting.

What's in a Board Meeting?

The public board meetings begin at 8pm. Once we are settled, the president begins the meeting with the Superintendent's input. After Mr. Mac Connell speaks, the public can ask questions about agenda items only. Then, each committee chair presents information from their meeting. Once all chairs have presented, the public has a chance to comment and ask questions. If you would like to address the Board, it is asked that you state your name and address and then ask your question. The meetings run from about 1 to 2 hours, with an average meeting taking about an hour. If there are any special presentations, they will be included on the school's website so you know to plan your time. Hope to see you at the next meeting!
