POLICE DEPARTMENT

March 23rd, 2017

Dear Parents and Guardians,

The safety and security of our children is the highest priority of the Police Department. Despite efforts of our police officers over the past several weeks to educate parents, traffic safety continues to be a problem during drop off and pick up times. I realize parking is limited, but safety must come first. Please speak with your children and insure you have a plan for a safe drop off and pick up that complies with the school rules as well as traffic laws. The Police Department will take a zero tolerance approach to violations in the school zone. I have instructed our officers to issue summonses for any and all violations observed. I thank you in advance for your cooperation and understanding in this matter.

Sincerely,
Louis G. Ferraro
Chief of Police
