REMINDER

School Picture Make up/Re take Day is scheduled for Wednesday, November 1st from 8:45 am – 11:00 am.

If your child **did not take pictures** on the original date please be sure to complete a photo form and submit a check **or** use BNL online site (noted on flyer) prior to Make up/Re take Day, **if you choose to purchase a package**. Your child must bring the completed form and check with them to give to the photographer on re take day.

Please know that each and every child must take a photo in order to appear in their class picture and in our student database. You need not purchase a picture package for them to have this picture taken. This will be the last opportunity for your child to be photographed for their class picture and our database. BNL photographers will not be at our district until next school year.

If you did not like the original pictures taken on the original date please have your child bring in the package of pictures from that day EXCEPT the class picture that will not be retaken.
