

STARS CHALLENGE

The Foundation for Shrewsbury Education is once again sponsoring scholarships for students who attend The Stars Challenge courses.

19 students from Shrewsbury are attending our Fall courses. Terrific!

The courses for this winter are:

Is It Science or Magic by Ms. Aimee Babbin at High Tech High School. 6th graders.

Patterns in Nature by Mr Roche & Ms Gross at High Tech High School. 6th & 7th graders.

Explore, Imagine and Build by Mr John Valente at High Tech High School. 7th & 8th graders

Coding and Robotics by Mr Chris Hanas at High Tech High School. 7th & 8th graders.

Explore The Universe by Mr Marc Coe at Cedar Drive School in Colts Neck. 7th - 8th graders.

Mr. Roche, the Executive Director, can be reached at:

mtroche@starschallenge.org

Cell: 732-609-2797

PO Box 402, Colts Neck, NJ 07722

More course details are available at www.starschallenge.org where you can also find the on-line application. A brochure is attached.

Thanks for your help!
