Dear Parents:

It has come to my attention that children are crossing Obre Place to be picked up at dismissal (and are also being dropped off on the wrong side of the street in the morning). This is a very serious condition and lends itself to one of our students being seriously injured.

Please refrain from this practice. It may take an extra minute or two to drive into the parking lot and drop off or pick up, but it is certainly worth it. A child does not have much of a chance of winning a confrontation with a car.

Thank you for your consideration in this matter.

Sincerely,

Lawrence Ambrosino
Superintendent
