Dear Parents and Guardians:

I hope this letter finds you safe, healthy, and enjoying a wonderful summer with your family!

As I am sure you are aware, school districts throughout the country are busy developing plans to return students and staff to school in September. We here at SBS are committed to finding the safest possible solution to return our students to in-person learning and to keep our school community safe and your feedback is important to us.

Please follow this link to our [SBS Parent Reopening Survey](#) and respond by July 19, 2020.

Very sincerely,

Brent A. MacConnell
