How to make a Home Fire Escape Plan

- Draw a map of your home. Show all doors and windows.
- Visit each room. Find two ways out.
- All windows and doors should open easily. You should be able to use them to get outside.
- Make sure your home has smoke alarms. Push the test button to make sure each alarm is working.
- Pick a meeting place outside. It should be in front of your home. Everyone will meet at the meeting place.
- Make sure your house or building number can be seen from the street.
- Talk about your plan with everyone in your home.
- Learn the emergency phone number for your fire department.
- Practice your home fire drill!
- Make your own home fire escape plan using the grid provided on page 2.
How to make a Home Fire Escape Plan

• Draw a floor plan or a map of your home. Show all doors and windows.
• Mark two ways out of each room.
• Mark all of the smoke alarms with SA. Smoke alarms should be in each sleeping room, outside each sleeping area, and on every level of the home.
• Pick a family meeting place outside where everyone can meet.
• Remember, practice your plan at least twice a year!

Memorize your fire department’s emergency phone number and write it below:

______________________________

Grown-ups: Children don’t always wake up when the smoke alarm sounds. Know what your child will do before a fire occurs.
