SHREWSBURY BOROUGH SCHOOL
20 OBRE PLACE
SHREWSBURY, NJ 07702

Hello SBS parents! I hope this note finds you healthy and well.

Last weekend would have been the 2020 Grapes and Grains Garden Party. We certainly missed seeing everyone enjoy themselves under the tent this year! The garden party is not only a great social event but a wonderful fundraising opportunity for the Foundation. The dedicated fundraising model employed over the last few years enabled the Foundation to fund both the Maker Space and Design Lab as well as to provide Chromebook replenishment and replacement. None of those things would have been possible without your support. Thank you!

This year we unanimously voted to use operating funds that would have been spent throwing the Grapes and Grains Garden Party to support our teachers and their virtual learning efforts. Each faculty member received a \$100 Amazon gift card which they used to purchase supplies and materials to help them work from home. Our teachers purchased white boards, books, art supplies, document cameras, laptop stands and more. I hope you'll agree that it was worthwhile gesture of goodwill.

Please remember that you can support the Foundation at any time through our website. There is no way to predict the ways in which we might be called upon to support our school in the near future. If we've learned anything over the past few months it is that our world can shift in a moments notice and we have no choice but to adapt quickly. Technology and tech infrastructure play an integral role in our ability to change when change is needed. With your continued support we can carry on with the good work we are already doing at SBS and establish the funds to ensure that we are ready to go above and beyond if and when it becomes necessary.

All my best for a safe and happy summer!

Betsy Higgins
President, Foundation for Shrewsbury Education
