FSE Dollars at Work:

FSE is proud to have spent over \$400,000 on projects such as a STEM Lab, a graphic design lab, Google Chromebooks and numerous exciting teacher grants. We are also excited to offer scholarships to SBS students to programs like the Stars Challenge, stipends for SBS's own faculty to offer after school classes, and funding to support teachers for virtual learning needs. Please help FSE continue to make the most of your student's academic experience at SBS.
