September 14, 2021

Dear Parents and Guardians:

I want to take this opportunity to thank everyone for their patience, understanding, and active involvement in our successful launch of the school year at SBS. We have learned many things over the past year and a half that have helped us be prepared for our return to full school days and lunch service in our cafeteria/gym/performing arts space. Your feedback has been critical to our success throughout the pandemic and I encourage you to communicate with our administration and teachers frequently as we focus on providing intensive instruction and a rich learning environment.

Health and Safety Update:

I want to remind everyone that we are relying on you to help keep everyone safe and healthy this year at SBS. Your continued vigilance at home is critical to our ability to quickly react to any potential outbreak here in school.

- Masks are mandatory for all students, parents, guardians, and employees while in the school and masks are highly encouraged on school grounds;
- Please discuss the importance of social distance as a preventative measure with your children, especially before school and after school when students are not closely supervised by SBS;
- Please communicate promptly with our School Nurse and Administration when you suspect that a family member or close contact is ill.

Virtual Open House Information:

This year our Annual SBS Open House will be conducted “virtually” this evening, Tuesday, September 14th. Our teachers will be posting video presentations and information for their classes and programs on their Google Classrooms after 3:30 PM on September 14th for parents and guardians to view.

The SBS Faculty will then host Google Meets from 7:00 PM to 8:00 PM on September 14th so that parents can meet teachers, learn more about our various instructional programs, and ask important questions. Our teachers will send you an email to let you know about where you can view their presentations and a link for their Google Meets.

Best wishes for a safe, healthy, Virtual Open House tonight!

Very sincerely,

Brent A. MacConnell
