Dear Parents and Guardians:

The Shrewsbury Borough School is developing a Remote Learning Option in accordance with NJDOE regulations and guidance for our families during the COVID-19 pandemic. Like many other aspects of public education during the pandemic, we are developing our plans as more information becomes available so we expect that aspects of our Remote Learning Option may change during the next few weeks as we prepare for our return to school in September.

Our Remote Learning Option program will be consistent with our new SBOE Policy #1684.02- Remote Learning Options for Families and is based on the following criteria as determined by the NJDOE:

1. Unconditional Eligibility for Full-Time Remote Learning.
2. Special Education services provided to the greatest extent possible.
3. Students are eligible to transition from Full-Time Remote Virtual Learning to In-Person Education Program with a written request to the Superintendent 15 days before the start of a Marking Period.
4. Families/guardians with limited access to equipment or the internet shall inform the Superintendent and district shall make reasonable efforts to support remote instruction by facilitating services and/or equipment.
5. Frequent, consistent communication among families, teaching staff members, and administration to ensure that opportunities are readily accessible.

All parents and guardians must complete the SBS Remote Learning Option Survey to communicate whether they wish for their child(ren) to participate in our in-person Hybrid Instructional Model or the Remote Learning Option. Please follow this link to our [SBS Remote Learning Option Survey](#) to submit your response(s).

Please submit your responses by 12:00 PM on Wednesday, August 12th.

As always, please contact me should you have any questions or concerns.

Very sincerely,

Brent A. MacConnell
