August 4, 2020

Dear Parents, Guardians, and Families,

Please find updated supply lists for the 2020-2021 school year for elementary and middle school linked below. Students will be responsible for coming to school prepared with these items each and every day.

Please do not send your child with more supplies than listed for each grade level. We want all of our students to be able to manage and organize their own materials and supplies as we prepare to implement our hybrid learning model.

Students will be keeping these items with them in their backpacks throughout the day and will not be going back and forth to their lockers to minimize hallway traffic and to maintain social distancing.

If you are unable to acquire any items on the supply list, please let your child's homeroom teacher know when we return to school in September.

[SBS Supply List - 2020 - 2021](#)

I hope you and your family continue to be happy, healthy, and enjoying the summer!

Sincerely,

*Jessica Wakula*
