**ALL SUMMER WORK IS POSTED IN GOOGLE
CLASSROOM in "INCOMING 6TH GRADE MATH"**

(it will be posted on 8/17/2022)

Hi everyone,

It's Mrs. Scully and I will be your 6th grade math teacher. (woo hoo!!!)
Since we are all so used to Google Classroom by now, I am going to try something new and different with Summer Math. I hope that the variety makes it a bit interesting and different. *Please complete the math WITHOUT using any other sources than your brain, scrap paper and a pencil.*

Please don't leave this until the last minute. Try to spread it out and complete a bit of math every few days.

Good luck. Everything is marked DUE on September 1, 2022.

Please contact via Google Classroom or email (scullyj@sbs-nj.org) if you have any issues with the assignment.

Sincerely,
Mrs. Scully
